TERMS OF REFERENCE

Village forests.—To advise regarding areas including shamlats which in their opinion need to be managed by Panchayats or Societies and

the amount considered necessary to be given to them every year as grant-in-aid for the management.

Control of private forests.—To advise regarding measures to combat the destruction of trees growth in private forests including Jagir areas, private property, etc. (In the pre-merger regime no trees, except for bona-fide domestic and agricultural needs, could be felled without the previous sanction in writing of the ruler). This restriction was relaxed in 1948 under certain conditions, viz no fellings except when marked by a Forest Officer after the land on which trees are desired to be felled is delimited on the ground. This has resulted in large scale fellings resulting in the depletion of forest wealth with the zamindars and leaving the land liable to erosion and denudation.

Training of field staff.—To advise the necessity for opening a training centre in their region to train labour in any particular type of forest work. If so, the particulars of the training in view.

Members of the committee shall be paid travelling allowance and daily allowance as follows:

	<i>Travelling allowance</i>	<i>Daily allowance</i>
(a) Non-official members	At the rate admissible to Class I Officers	At the maximum of the rate given to an officer of Grade I.
(b) Official members	As they are entitled to in their official capacity.	

The dates and venue of the meeting of the committee will be communicated by the Convener of each Sub-committee in consultation with the Chairman to suit the convenience of the members.
